

Welcome to Dulaney Valley Pet Loss Center

Dulaney Valley Pet Loss Center is a full-service aftercare center honoring our beloved pets for their unconditional love and companionship. Our pets are family members and we memorialize them with the same dignity and care.

Pet Cremation Urns & Keepsakes

Urns & Keepsakes

Dulaney Valley offers pet urns in various materials, from wood finishes of oak and cherry to metal alloys, including bronze, brass, and pewter. Specialty designs range from engravable votive candle urns to custom shapes such as carved wooden urns depicting common dog and cat breeds. Urns are available for inurnment or home use.

Cremation Jewelry

Our cremation jewelry collection keeps your furry family member close to your heart. Each unique piece of jewelry is available in most precious metals, including stainless steel, gold plating, sterling silver, and white, yellow, or rose gold with engraving options. A small portion of fur or feathers may be placed within the jewelry in lieu of cremated remains.

Glass Art

Imagine memorializing your pet in a stunning work of art. Glass art is a one-of-a-kind, hand-crafted glass keepsake encapsulating a small amount of cremated remains or fur. In several designs and color palettes, glass art is available as a necklace, paw print weight, or eternal flame, providing a custom memento that cherishes your beloved pet.

Pet Gardens Cremation Memorials

Pet Sanctuary offers cremation niches, benches, and burials for beloved pets. Faithful Friends accepts the same with the option for pet parents to create custom family estates for them to rest next to their cherished pets.
