A Message from Jeny

I am very grateful for the opportunity to partner with Dulaney Valley Pet Loss Center.

Losing a pet is never easy and can be truly devastating. In 2022, I said goodbye to my sweet 16-year-old black-and-white Shih Tzu, Dalleh, whom I lovingly called my "baby panda bear." Experiencing that heartbreaking loss inspired me to make it my mission to support pet parents through the difficult journey of pet loss and grief.

The human-animal bond is unique and sacred. Through unconditional love, trust, and lifelong friendship, our animals become a deeply meaningful part of our families and our lives. I am grateful for the opportunity to support the Dulaney Valley community and to honor the special relationships families share with their pets.

I hope to meet you on Saturday, October 10th at the Pet Blessing & Pet Celebration Day event!

Following the Pet Blessing Ceremony, Rocko, my happy and fun loving 10-year-old pupparoo, a Chihuahua-Terrier mix, and I will be hosting an interactive basic obedience, tricks, and agility activity. Bring your pup and their favorite training treats, show off their skills, and have a chance to win a prize! We'll also have music, light refreshments, and photos throughout the event. Capture some memories from the day, whether you'd like to use a photo for your holiday card or simply keep it as a keepsake.

Additional activities will include:

- Ask the Trainer station
- Remembrance Table
- Family and pet photo area
- Raffle Prizes
- Pet Blessing certificates
- Pet Sanctuary and Faithful Friends Garden tours
- Pet Loss Center open house
- Light refreshments

If your dog will participate in the training activity, you may bring a few of your dog's favorite small treats.
